

Vent Extension Support Kit

GENERAC® PROTECTOR™ DIESEL GENERATOR ACCESSORIES

Model: G006588-0
UPC: 696471065886

DESCRIPTION

The vent extension support kit consists of two aluminum plates with the appropriate pipe cutouts to secure the vent extension pipes coming through the top of the generator enclosure. It helps to minimize stress on the NPT fittings integrated on the tank and also helps protect against pests.

This kit includes the sheet aluminum plates, edge trim, mounting hardware and instruction manual but does not include vent extension pipes or couplers.
